

भारत की उच्चायुक्त, नैरोबी
High Commissioner of India, Nairobi

21 April 2023

MESSAGE

I am pleased to learn that India International Textile Machinery Exhibitions Society (India ITME Society) has chosen to hold the ITME Africa & Middle East 2023 exhibition in Nairobi from 30th November 2023 to 2nd December 2023.

This will be an excellent opportunity to showcase the products of India's textile engineering companies and explore the strong potential for bilateral cooperation with Kenya. India and Kenya enjoy enduring economic engagement that covers various sectors of which textile technology and machinery is a promising component. Kenya holds potential to be a gateway to rest of the East African region and as such, provides ample opportunity for Indian companies to expand their business in this part of the world.

On behalf of the High Commission, I extend felicitations to ITME society and participating Indian businesses and exhibitors. The High Commission is happy to extend support and facilitation to ITME and the participating companies in exploring fruitful partnerships in Kenya.

(Namgya Khampa)
