ABOUT THE EVENT

Prosperity & Growth through Textile Technology

The 2nd Edition of ITME Africa & M.E 2023 shall showcase range of innovative Textiles Technology & Engineering from 23 countries.

ITME Africa & M.E. 2023 was conceived with a Vision to initiate a new era towards self-reliance, socio-economic advancement & empowerment in the Textile & Textile Engineering sector, with international co-operation for Africa & Middle East. Also, it nurtures a Mission to serve as a gateway for Textile Technology & Engineering, inclusive of Technical Education, Skill Development, Investment, Joint Ventures & Sourcing, with sustainable and long-term goals.

Modernization and use of innovative technology is the only way forward for Industry & Businesses to succeed in contemporary times. Despite an enormous untapped potential for Textile Industry expansion in the African nation, so far it has been limited to certain sectors only.

With years of steady development and as a fastest growing economy in the African continent, Kenya is in the right path to become Africa's Textile and Apparel Hub, if opportunities are utilized timely. ITME AFRICA & M.E. 2023 can be the catalyst for the same.

As the host country for ITME Africa & M.E. 2023, Kenya can be the pivot for Textile Technology & Engineering Industry for the entire African continent.

Take this opportunity to
Reboot | Reinvent | Rejuvenate
your textile business with

GOODWILL MESSAGE

भारत की उच्चायुक्त, नैरोबी
High Commissioner of India, Nairobi

21 April 2023

MESSAGE

I am pleased to learn that India International Textile Machinery Exhibitions Society (India ITME Society) has chosen to hold the ITME Africa & Middle East 2023 exhibition in Nairobi from 30th November 2023 to 2nd December 2023.

This will be an excellent opportunity to showcase the products of India's textile engineering companies and explore the strong potential for bilateral cooperation with Kenya. India and Kenya enjoy enduring economic engagement that covers various sectors of which textile technology and machinery is a promising component. Kenya holds potential to be a gateway to rest of the East African region and as such, provides ample opportunity for Indian companies to expand their business in this part of the world.

On behalf of the High Commission, I extend felicitations to ITME society and participating Indian businesses and exhibitors. The High Commission is happy to extend support and facilitation to ITME and the participating companies in exploring fruitful partnerships in Kenya.

24th March 2023

MESSAGE

I am glad to learn that India International Textile Machinery Exhibitions Society (India ITME Society) is organizing an international event showcasing Indian Textile Engineering Companies at ITME Africa & Middle East 2023 from 30th November to 2nd December, 2023 at Nairobi, Kenya.

India has the potential to become a sourcing hub for textile technology and textile engineering. This event can serve as a gateway to all of Africa. It is an excellent opportunity for Indian Textile and Textile engineering industry to project itself as an alternate and friendly sourcing /investment partner with focus on "Make in India".

My best wishes to the Indian and International exhibitors from several countries participating in the event.

I congratulate and compliment the organizers and exhibitors and wish them a very successful business event.

Rachna

HOW TO REACH EXHIBITION VENUE

Airport to Venue

Kenya has four international airports which include; Jomo Kenyatta International Airport in Nairobi, Moi International Airport in Mombasa and Moi International Airport in Eldoret, Kisumu International Airport.

These airports services numerous international carriers including the national airline Kenya Airways. British Airways, Ethiopian airways, Kenya has good connections to destinations throughout Europe, the Asia- Pacific region, USA and Africa .

Taxi & Hailing Apps

You can find most international taxi services in Kenya including Uber, Bolt and others.

Rental Services

Most worldwide rental agencies have offices in Nairobi and Mombasa, and these offer expensive but reliable cars with a full back-up network.

By Road

Kenya can be accessed by road from Tanzania, Uganda, Ethiopia, Sudan and Somalia. Migration ought to be handled at land outskirt stations. For specific Conferences and Events, on request KICC can organize transport for delegates.

ON ARRIVAL – REGISTRATION FLOW

- ❶ **Exhibition timings:** 9 am - 5 pm
- ❷ **Visitor Registration Timings:** 8:00 am - 4:00 pm
- ❸ **On the Spot Registration Counters:** available at Gate of Tsavo Hall
- ❹ **Pedestrian Entry:** from the City Hall Gate.
- ❺ **Vehicle entry:** from the Parliament Gate
- ❻ **Car Parking:** Parliament side gate.
- ❼ **Vehicle Parking / Bus Parking:** at Parliament Gate, and it is Pay and Park (Chargeable) - 500 KSH for Car / Bus (Prices subject to change).
- ❽ **For Invited VIP Guest / Speaker/ Special Categories/ Foreign buyers delegate:** Badges can be picked up from Registration Counter.
- ❾ **Seminars & B2B Meetings Venue:** Lenana Hall
- ❿ **Complimentary registered Visitor Passes:** valid for Exhibition Venue, Seminars, & B2B program
- ⓫ **Organisers Office:** Tsavo Hall, near Exit Gate
- ⓬ **Currency Exchange:** KICC building Opp. Café Safari - Mr. Mohammed +254 782990003 / +254 700900003
- ⓭ **Food court:** Tin Tin Restaurant - Chinese and Asian Cuisine / Café Safari - Premier Coffee House
- ⓮ **Weather:** Rainy and cold: we advise carrying the following items with you.
 - Warm clothes
 - Prescribed Medicines
 - Cold Cream/Lotions
 - Rainwear/Umbrella (if required)

ABOUT ORGANIZER

INDIA ITME SOCIETY

Empowering Textiles
through Trade and Technology

Established as a non-profit Industry body in 1980, the India ITME Society serves as catalyst for Technological Excellence and is the backbone of Textile Engineering Industry in India, today.

The Society has become the cornerstone of the Textile & Textile Technology Industry, accelerating technological innovations & collectively shaping the Textile Industry to positively impact the future.

Over the years, India ITME Society metamorphosed from a domestic organizer into a global brand, embracing internationalism.

The Society has left no stone unturned in establishing itself as one of India's most successful Exhibition Organizers, with its principles based on Trust, Consistency & Collaboration. The India ITME Society is also connected with many Educational and Government Institutions as well as 1500 Associations in India and across the Globe.

Today's competitive global scenario demands regular interaction, networking, global visibility, outreach to customers and tapping new opportunities at the right time & place. The motive behind this Business & Technology Event is to connect Textile & Textile Engineering businesses to various destinations across Africa & Middle East.

ITME Africa & M.E. 2023 is a catalyst, striving to transform the Textile Industry of Africa & Middle East, in the coming decades, by opening up unlimited opportunities for business, sourcing, collaboration and investment the Textile, Textile Engineering, Ancillary & Allied Industry.

With the prime motive of bringing modern and up-to-date Textile Technology to Africa and M.E & thus empowering textile industry of the continent and collaborate through trade & technologies, India ITME Society welcomes you to the 2nd Series of the strategic international business event
